

Letter of Intent & Engagement

ONE SMALL TOWN – Implementation

My name is _____

I am the _____

I have been made aware of an exciting new plan to bring prosperity and abundance to my community and its people. A plan of upliftment and rejuvenation, that will attract investors with many diverse investment opportunities to our towns and villages.

The initiative is called **One Small Town, Can Change The world.**

As the _____, I recognise that this will provide many solutions for the challenges we face in our community. I am confident that there are no serious risks associated with this model.

Furthermore, I recognise the powerful potential of the **ONE SMALL TOWN** initiative, to unite our community, launch many community-owned businesses; to create self-sustainability, a thriving economy and most importantly, to provide a beautiful environment and a stable future for our children.

It gives me great pleasure to announce the launch of the **ONE SMALL TOWN** initiative in _____. I will be leading this exciting project, inspiring and informing our people as we proceed – supporting the **ONE SMALL TOWN** task team where I can, and attracting investors to our community, to the best of my ability. More information will be available on our new website. Let us work together to turn our community into a beautiful place of prosperity and abundance for all of us.
