PAYMENTS: Direct Payment or EFT Payments:

- a. The **Payment Reference** is VERY IMPORTANT - it is the common denominator through everything, as this is the actual proof of purchase on the OST PLATFORM. We associate the **Payment Reference (OST-xx-xxxxxxx)** as the bank's proof of payment. Make sure you use the Payment Reference number where required.

- b. You will find the **Payment Reference** when you submit a purchase request for the quantity of tokens.
 - i. You can also click on My Purchases (History). If you click on the three dots on the left, it will also show you the **Payment Reference** number of each purchase request.
 - ii. Please email a Proof of Payment to supportplatform@onesmalltown.org to Fastrack your token allocations.
 - iii. If you don't pay the **pending purchase request** the request will be cancelled in time.
 - iv. **If you Pay with Card**, we automatically link your Payment Reference to the Stripe Payment Gateway. **NB:** On the phone, your popups need to be **set on**.
 - v. **Successful Purchase:** After we verify that your payment has been received, **your OST wallet** will be loaded with your tokens, and you will receive an email to confirm successful purchase and token allocation.
- c. **You can download your certificate** on the TAB, **My Purchases** and click on Download. The best way is to do this on a desktop. If on the phone, ensure to turn your popups ON - it will download to **My Files**.
